An account shall be established in the name of (1) the legal title owner of the real property or (2) the Person, Persons, entity or entities who own the real property receiving such services as shown on the property records of the Jefferson County Tax Assessor (together the "Residential Owner"). Alternatively, to satisfy the requirements of this paragraph, a tenant or existing Town account holder for the service address may establish the account in the tenant or existing Town account holder's own name, but in order to do so, the Residential Owner must sign as a guarantor for the account, including a waiver of any rule of law, statute, or constitutional provision that would otherwise limit the Residential Owner's obligation to do so. A failure by a tenant or existing Town account holder for the service address to establish an account and to maintain it in good standing shall not relieve any Residential Owner from their obligations hereunder. See, e.g., ALA. A.G. OP. 2012-010. The application, guaranty, and waiver contemplated by this paragraph must be made on a form provided by the Town.

Prior to the establishment of service, an Applicant must provide proof of the Applicant's right to occupy the service address. For example, proof may include a copy of a deed or a lease. The Applicant must also demonstrate that the Applicant has satisfied all requirements of the governing body for the service address to occupy the premises, including the receipt of a Certificate of Occupancy, where applicable.

A government issued photo id, work photo id, student photo id or other verifiable photo id will be required to establish a new account. If other than an individual, a current W-9 will be required. Please attach a copy to this application.

The Terms and Conditions set forth below are part of this Application. Please read them before signing and returning this Application.

The undersigned Applicant hereby agrees to the Terms and Conditions set forth below in this Application. Applicant represents, warrants, and agrees that the foregoing information is submitted for the purpose of obtaining credit from Mulga and is true and correct to the best of Applicant's knowledge, information, and belief; that Applicant has authority to sign and deliver this Application on behalf of the Applicant and to bind Applicant to the terms and conditions hereof; that a photocopy or fax of this signed Application shall be considered an original and shall be sufficient for all purposes as a manually signed counterpart hereof; that Mulga is authorized to obtain and update credit reports and credit references from time to time; and that Applicant received a full completed copy of this Application at the time Applicant signed it. Applicant authorizes Mulga to complete orders without Applicant being present, and accepts responsibility for such goods and services upon delivery.

The terms and conditions set forth herein, as may be subsequently modified by Mulga from time to time, are incorporated by reference into all related contracts and invoices and acknowledgment forms issued by Mulga.

Applicant's Financial Obligations

2. All charges, fees, and rates shall be as established in Mulga's separately adopted Schedule of Charges & Fees and/or Rate Tables and/or Rates and Fees schedules (by whatever name or names called) as they may be amended over time.
3. All deposits, guarantees, and securities shall be as established in Mulga's separately adopted Schedule of Deposits (by whatever name called) as it may be amended over time. However, Applicant expressly agrees that any amounts owed by Applicant to Mulga, including, but not limited to, unpaid bills for water service, gas service, solid waste collection, or any other program or service offered by the Town (altogether "Service"), may be deducted from any deposit, guarantee, or security furnished by Applicant whenever Applicant's Service is disconnected, Applicant's account is closed, or whenever Applicant's balance has remained unpaid for more than ten days when due and that such deposit, guarantee, or security may be applied to any balance owed to the Town whether or not associated with the particular program or service for which the deposit, guarantee, or security was originally made.
4. Applicant shall reimburse Mulga for the total out-of-pocket expenses (labor, equipment, materials and overheads), if any, incurred by Mulga associated with the reconnection of Service previously disconnected.
5. Applicant shall pay in full any charges resulting from disconnection or reconnection of Service as well as any billing amounts previously due before Service will be reconnected.

8. Applicant agrees that its continued solvency is a precondition to any goods or services provided to Applicant. Applicant agrees to provide Mulga a statement representing that it is and remains solvent. Applicant agrees that Mulga may utilize outside credit reporting services to obtain any information on the Applicant - or the undersigned Guarantors - that Mulga deems necessary.
9. Unless this credit application is expressly marked on the reverse side as being for "Owner Occupied" use, Applicant represents that any credit extended by Mulga will not be primarily for personal, family or household use.

Safety of the Service Location

10. Service may be refused or discontinued if the Applicant's use of premises is determined by Mulga to encroach on and violate the property interests or property rights of Mulga, if the premises stand in violation of the technical codes adopted by governing jurisdiction for the service address, if the use of the premises is not in compliance with any Policies and Procedures adopted by Mulga, if Applicant has violated these Terms and Conditions, or if the provision of service would otherwise be unsafe to the extent that it would be a nuisance.
11. Applicant agrees to exercise proper care to protect the property of Mulga located on or near the Applicant's premises, and in the event of loss or damage to Mulga's property or equipment, arising from the neglect of the Applicant to properly care for the same or intentional damage to the same (whether caused by Applicant or any other party), the cost of necessary repairs or replacement shall be paid by the Applicant.

In no case shall Mulga be held liable for damages, including but not limited to consequential damages, or be considered negligent in any manner as a result of any interruption or failure of Service, and the Applicant shall make no claim for such damage.
15. Services provided by Mulga are provided as a service for the public as a whole, and are not for the benefit of any individual person or entity. Mulga and its agents, officers, and employees accept no duty for the benefit (intended or unintended) of any person including but not limited to any owner, mortgagee lien holder, landlord, tenant, occupant, roomer, invitee of any type, trespasser, or any of their agents, officers, or employees. Any duty alleged to arise under this Agreement and/or any other associated policies, rules, regulations, and/or schedules of Mulga or any of its agents, officers, or employees for the benefit of any person is hereby expressly rejected. Mulga and its agents, officers, and employees hereby expressly reserve all applicable immunities existing under any doctrine, authority or law (whether under the common law, statute, or otherwise), including but not limited to substantive immunity, qualified immunity, and discretionary function immunity. Applicant agrees to indemnify, hold harmless, and defend Mulga from and against any and all claims of any type or nature asserted by any person or entity against Mulga related to the service address and/or otherwise arising from a Service or related to this Agreement.
