Visitors: Malinda Henderson, Jonathan Goodwin, Austin Autry, Ryan Wells, Jacob Presley, Randy Hughes, Rod Hawkins and Dalton Vildibill.

Mayor: We are proposing a project for a 1500 square foot splash pad at Bayview Park. We will apply for a \$500,000 match grant. The grant will be for \$250,000 and we will match it with \$250,000. We already have \$100,000 allotted for the project. The remaining \$150,000 will be provided by a combination of in-kind services, including labor, equipment, materials and additional funds.

District 5: Nothing

District 4: What is the size comparable to the splash pad in Gardendale?

Mayor: I haven't been to the splash pad in Gardendale to know how it compares in size. But it will be five times bigger than the one in Adamsville.

Gardendale has a picnic area around their splash pad. Will we have anything like that?

Mayor: We will have a picnic/pavilion area, as well.

District 3: Absent

District 2: Absent

District 1: Nothing

Rachel Davis: Will we be able to get additional grants in the future to expand the area?

There were no questions or comments on this project from the floor.

No one opposed. All in favor.

Resolution No. 2025-03
