Mayor: My vision for the next 4 years is to build a new town hall and turn the existing building into a community center. The new town hall would hopefully house the post office and have a library, as well.

Seat 1: I would like to see us get our own police department, get something out here for the kids & would like to see us get an archery place.

Seat 2: I would also like to see us get our own police department & have a full-time paramedic. The park board is looking into a grant for a drive-in theater.

Seat 3: I would love to see more community activities for all ages.

Seat 4: I would like to see us get a coffee shop type place, repair the basketball court & fence it in. I would like to see us get a dog park & possible wells. I would love for there to be more involvement from all residents in the community. I also think that we should put birthday greetings or personalized messages on the sign for the residents.

Seat 5: I would love to see us have a library, better sidewalks & a walking/bike track.

Lisa Armstrong makes a motion to adjourn. Seconded by Rachel Davis. All in favor.
